Re. No. 379 Hr S

Station Madras., Dated the 16th March 1920. 191

From (Name) P. B. Thomas, Esquire,

(Designation) Inspector-General of Police.

To The Secretary to the Government of Madras,
Home (Judicial) Department.

Sir,

I have the honour to request that the Deputy Superintendent of Police in charge of the Hospet Sub Division in the Bellary district may be permitted to occupy the vacant Forest Range Office at Hospet till a residence is built for him.

2. The necessity for constructing quarters for the Sub Divisional Officer at an early date has been recognized in G.O.No. 2905 Home (Judicial) dated 10th December 1919. The work has been placed as item 10-A in the programme but as the question of revising the prescribed design for quarters of Assistant Superintendents of Police is under my consideration, it will take some time before the

the work is started. I have already shown that in the interests of administration it is essential that the Deputy Superintendent should reside at his headquarters and as in the meantime the Forest Range Office at Hospet has fallen vacant, I recommend that it may be used as the temporary residence of the Deputy Superintendent.

p1-2 7 dc 2905 B 10-12-19

3. The building was taken over by this department on 21st February 1920 and the Superintendent of Police, Bellary, reports that it can be put in order at a cost of about Rs.135. I have directed him to obtain an estimate for repairs to, and a data statement for calculating the rent of, the building and these will be submitted to Government on receipt.

I have the honour to be,
Sir,
Your most obedient servant,

for Inspr.-Genl. of Police.

It is likely that the residence of the A.S.P at Hospet will be completed soon as there is a provision for the work in the next year's budget. In the meantime the D.C. requests that the Dy. Supt of Police in charge of the sub-division may be permitted to occupy the vacant Forest Range office in that station till a residence is built for him. The sub-divisional officer at Hospet, may be of the rank of A.S.P, or Dy S.P. according to the exigencies of service. The building is presumably in charge of the P.W.D and the estimated cost of repairs Rs. 135/ will therefore be met from the P.W.D budget. submitted, that the D.C.'s present request, may be supported in this Deptt, and the file transferred to P.W.D for issue of orders. [The estimate for repairs will when received be transferred to that deptt.] The file may be sent to Revn Dept (Opl) and P.W.D for acceptance

Revn 25.3.20 of the D.C's proposal. P.W.D may

also be asked to state whether the cost repairs to the buildings will be met the D.C. budget.

The Forest Range office building at Hospet is a forest dept building and is not borne on the registers of the PWD. There is no information as to the capital cost of the building or its normal rent. Presumably the normal rent would be less than 10 P.c of the average salary of an Asst Deputy Supdt of Police. The proposal to transfer the vacant building to the Police Dept has been approved by Rev. (Hl.) and orders ~~to be issued~~ authorising it temporarily as quarters for the Deputy Supdt will
